Dear Mayor;

It has come to our attention that the terms of two of our Housing Authority Commissioners will expire on October 1, 2014.

We would appreciate very much, if you would reappoint the following people to our Board: Idessa Lott and Clyde Simmons. They have both done an excellent job serving on our Board and have agreed to continue to serve if reappointed.

This last year, we have been busy installing energy efficient exterior doors on our apartments. Out of ninety-eight apartments we have completed the doors on forty-four apartments. We have contracted out for a additional 20 apartments and as soon as those are completed, we will go out for bids on thirty-four apartments, which will complete the exterior door job. We are dedicated to provide, decent, safe and sanitary housing for the Ingleside Community.

If you have any questions concerning the appointments, please call me at 776-7812.

Thank you.

Sincerely;
